Scout Canada Camps

Fun, adventure, challenge — at camp Scouting comes alive. With over 100 years of experience, Scouts Canada offers safe and high quality outdoor adventure programs for children and youth. We are committed to providing the ultimate outdoor experience.

Scouts Canada has over 125 camps across the country, so you're sure to find a camp that meets your needs. As you plan your next outing, consider using a Scouts Canada camp. Ours camps are a precious resource, ours to cherish, discover and support.

Many Scouts Canada camps offer a wide range of accommodation, from train cabooses and cabins with appliances to tent sites. You can also choose among camps that provide great services such as catering and equipment rentals and a broad range of program activities – from archery and mountain biking to kayaking and rappelling. Every camp is unique and some specialize in certain types of activities.

About this directory

Opportunities for adventure abound! To find a camp that offers what you want, use this directory. You'll find full descriptions as well as contact details for enquiries and reservations.

Camps are listed by province and in provinces with more than one Council, by council.

When using this directory, keep the following in mind:

- ✓ If a camp is not listed in the Rental Equipment Available table, it does not rent any equipment.
- ✓ If rental equipment is available, additional fees may apply.
- ✓ The Group camping category includes Family camping.
- ✓ Please verify all services, programs and activities available with the camp when booking.

Feedback form

Been to camp recently? Please help us improve our camps by sending us your comments. Use the Camp Satisfaction Feedback Form, available from the Camps page on Scouts.ca, to rate a camp, its staff and its programs.

Timber Lake Scout Camp is on the north shore of Timber Lake and is situated on the side of a large hill overlooking the lake.</p> <p>Timber Lake is an ideal lake for canoe training. It is about 4.5 km long. Since it is just 400 m wide, even in the highest winds the lake surface will only see a minor chop. Lake trout is the native fish in the lake. The MNR stocks it with splake every year. Access to the camp is either a 150 m canoe ride or a 1 km hike on a good trail with a wood bridge.</p> <p>The cabin has 19 bunks and room for more cots. Four of the cots are in a separate room. The kitchen has a sink with drainage (no running water) and a propane cooking range. The cabin is insulated and heated by an air-tight wood stove which makes it cozy even on those -30 days that are common in the winter. The water in the lake is pristine clear and great for swimming. There is a campfire pit along the shore, surrounded by majestic pines and cedars.</p> <p>Coordinates: 46.501684,-79.010812</p>
